Letter from President

Well the end of the season is upon us and I can hardly believe it's almost over. For some of you your last game is this week with a few older teams having one more right before the holidays. Brrr it's going to get cold out there. We also have 14 teams participating in the City Tournament this year. The City Tournament starts the Monday after Thanksgiving. Way to go Shorelake Soccer Club. This is the biggest turn out we have had since I can't remember when. I can hardly wait to see how far our teams go in the tournament.

I wanted to say a special thank you to all the many coaches, assistant coaches, managers, board members and countless other volunteers who helped with making this club run. From what I hear we have some of the best coaches and assistant coaches out there who give countless hours to our kids so they can play soccer. From the new to the seasoned volunteers who are the ones who make this club run. Without each and every one of you there would not be a team or game played. Thanks.

This year our club accomplished many things from the Cedarbrook clean up party in August to goalie clinics. I can't remember the last time I saw asphalt showing in the parking lot & those blackberry bumbles cut so far back at Cedarbrook. We had a great group of volunteers that day that put in some hard work. Thanks.

Our board put together some new things for the club this year too. We started up our referee trainee program, which was a great success from what I hear from the coaches and the parents. Teddi organized our first ever goalie clinics, which had a lot of participants. It went so well that next year we are looking at expanding it to player clinics by age during the season.

There are many more ideas the board has but it takes volunteers to make it happen. This brings me to my biggest pitch. We are in need of volunteers for the board. So if you are interested in finding out more and maybe volunteering come to our Volunteer Appreciation Party and Annual meeting on Nov. 14. Board elections will be held then.

Thanks again for a great season!!
